I want to study design at Inscape in 2012. How can I get a new iPad?

2

Download, complete and submit the "Interview Application" form.

3

Inscape will invite you to come for an interview.

4

After a successful interview, make sure you enrol and pay the year's fees in full at enrolment.

5

If you can't pay your 2012 fees in full, you can still get R 1000 off your new iPad.

6

Download, read, complete and submit the "Request to Purchase" form to Inscape.

7

If you only paid your *enrolment fee*, deduct R 1000 from the iPad price & deposit it into Inscape's acc.

8

iStore will invite you to a training session where they will give you your new iPad.
